Erika has always had a positive attitude while working for our firm. During her time here, she executed the tasks given her in an exemplary and efficient manner. Her work was of the highest quality, and she was very competent on both a professional and social level in the office. We, therefore, highly recommend Architect Erika Musci to your firm. She will be an asset to your organization, certainly adding value and helping it to grow.

Best regards,

Carlos Castanheira, Architect
